BLACKDIAMONDBEATZ.COM

(1) FREE DOWNLOADS – Free downloads of any beat produced by 'Black Diamond Beatz (with Music Life Enterprises LLC)' do not include any artistic rights to the beat. These versions are only for non-profitable use, meaning only for demonstrational tracks. You are permitted to upload tracks (recorded over free downloaded beats) on Internet pages such as Soundclick, Facebook, Soundcloud, Youtube, etc. When being uploaded or presented (for demonstrational use only!), credit **MUST** always be given in a written form to 'Black Diamond Beatz' (e.g. in the song description) (Example credits: 'Beat prod. by BlackDiamondBeatz.com' or 'Music produced by BlackDiamondBeatz.com'). You are **NOT** permitted to put the track on a mixtape or album, even if it is for promotional use only. For this purpose you need to purchase at least a lease. The meaning of free downloads is to do a song for yourself, to do first pre-recordings & to see if the song works out well & is worth, making investments in one of the license types. It is not permitted to make any kind of profit with free download versions. No video-, no TV-, no radio- airplay allowed! Furthermore it is not permitted to make any changes to the beat or remove any of the used tags. Copying or ripping any audio material (e.g. beat, tag, sounds, instruments, drums, etc.) is prohibited & will not be tolerated at any time! The person disobeying this rule will likely face a law suit.

(2) BASIC LEASING RIGHTS – Also known as Leasing rights, purchasing a lease or basic lease grants the customer limited artistic rights to the corresponding beat(s) for 20 profitable performances, also for use on any medium (e.g. album, EP or mixtape) with a circulation of up to 2,500 sales unites. If this point of sale is reached & further sales are desired, further rights with a new sales cap need to be obtained (if the beat has not yet been sold with exclusive rights & is still available). If the beat is no longer available for leasing, no further sales can be made after the sales cap is reached. A lease comes as a mixed MP3-file with the "BlackDiamondBeatz.com" tag removed, unless stated otherwise. The seller 'Black Diamond Beatz' (with Music Life Enterprises LLC) still has full rights and is able to resell the beat(s) until exclusive rights are sold to the beat. Once a beat has been sold with exclusive rights, it will no longer be available for any kind of leasing. Previous leasing rights that have been sold before are not affected & stay valid until the sales cap has been reached. Leasing a beat does not make the customer the sole owner of the beat. The licensee is not allowed to get profitable radio-, video- or television-airplay or to perform the song on commercial/profitable shows with a leasing license. For this purpose, Licensee must own exclusive rights to the beat or must obtain written consent & a separate license agreement by Black Diamond Beatz (with Music Life Enterprises LLC). The licensor expressly forbids re-sale or any other distribution of the producer's compositions, either as they exist or any modification thereof. You (the customer) cannot sell, loan, rent, lease, assign, remix, re-arrange, remove any melodies, instruments, drum programming or transfer all or any of the products sold or the corresponding rights to another person (example – Record Label, another production company, another producer, another artist), or for use in any competitive product. The licensee understands that the licensor maintains 100% copyright & ownership of the original instrumental composition.
